

# The Future of ECCO Recycling is Here

ECCO and Geocycle have collaborated on developing a sustainable low carbon alternative to help reduce Greenhouse Gas (GHG) emissions at Lafarge's Exshaw Facility in Alberta - an innovative industrial solution helping close the resource loop and fostering a greener future.

Production of Low Carbon Fuel (LCF), reduces the reliance on fossil fuels for heating cement kilns. LCF will reduce emissions from the Lafarge Exshaw Facility by reducing the reliance on both coal and natural gas as fuel for their cement kiln burners. Replacing natural gas with LCF from ECCO's facilities will result in an estimated CO2 emission reduction of 67,557 metric tonnes per year, 542,076 metric tonnes by 2030 and nearly two million metric tonnes by 2050.

## Balzac Construction Update

Adding our new facility, just north of Calgary, will provide waste generators and haulers with two convenient, safe, and reliable options for waste disposal and recycling. The new plant is designed to sort and process valuable reusable materials from Industrial, Commercial, and Institutional (ICI); Construction and Demolition (C&D); Single Stream Recycling (SSR) and residuals to produce the alternative Low Carbon Fuel (LCF).

# ECCO Sponserships 2021

ECCO was honoured to donate all the trees for **Bracko Quality Home Furnishings Parade of Trees** fundraiser in 2021.

## BRACKO

Quality Home Furnishings

Calgarians donated 4,000 pieces of food for the Calgary Food Bank.

1st Place Tree won \$5000

2nd Place Tree won \$3000,

3rd place tree won \$1000, and all other charities received a \$500 donation.

## The ECCO Elves were out again this year!

ECCO Recycling's favourite Christmas Elves were here AGAIN this year to support the **Veterans Food Bank of Calgary**, and the **Brown Bagging for Calgary Kids Lunch Program**.

With the help from our drivers and employees, we were able to raise \$158.15 in cash for the Brown Bagging 4 Calgary Kids Lunch program. (\$5 buys lunch for two kids) THAT'S LUNCH FOR 62 CALGARY KIDS!

We were also able to take over 4 boxes of non-perishable food and personal items to the Veterans Food Bank of Calgary!

# THANK YOU FOR YOUR SUPPORT IN 2021

## NEW YEAR - NEW DRIVER DRAWS!

### February

**Family Day (Feb 21)** - Take Your Monkeys to the Zoo, ON ECCO!

**Calgary Home & Garden Show** - Come see [ECCO Chips](#) Feb.24th - 27th.

### March

**Pi Day (14)** - We have pies from local Bakeries to give away!

**World Water Day (22)** - ECCO Water Bottles for all Drivers!

### April

**EARTH DAY (22)** - Find ways YOU can help at [earthday.org](#)

**Super Hero Day (28)** - If you could have one super power, what would it be?
